Ripcord

Synopsis

Fun-loving Marilyn and sharp-tongued Abby have had long, winding and vastly different lives. They now find themselves sharing a room in a retirement village. One wants the other's bed by the window. The other wants their room-mate out altogether. How to decide? Well, a bet is a bet and what follows is a dark riotous comedy that blends themes of love, jealousy and the meaning of family...oh, and some zombie butlers. In order to get everything you want in the world, are you ready to pull the Ripcord?
